Grip N' Rip FALL 2009

Future Enrollment Plan

All parents will no longer need to fill out a form, worry about placement, or having a spot in the Winter & Spring Sessions with our Future Enrollment Plan. By checking the box in the payment information section and using a credit card or membership number to pay, your child(ren) will be automatically guaranteed his/her spot for Winter (Dec 7th - March 5th) and Spring (March 15th - June 11th).

The Credit Card or Membership # on file will **NOT** be charged until the last week of priority registration. For the Winter it is the week of November 1st and the Spring will be the week of February 14th.

Checking the box does **NOT** commit your child(ren) to participate in all three sessions. It just simplifies the process of enrollment for both parties. At any time before the priority registration deadline for the upcoming session you may cancel your enrollment without charge or penalty.

6:1 Student To Instructor Ratio

To Ensure a quality and safe learning environment we will be adhering strictly to a 6:1 student to instructor ratio. With our GRIPpers ages 6 or below (Munchies), we may have two coaches on court with 10 kids (5:1 ratio). We have discovered that we are able to teach more and have them really enjoy the experience with these numbers. They allow us to effectively teach techniques and tailor the games to the attention span of these students.

Priority Registration

Because we limit the number of students on each court are program fills and it is necessary to have a system that allows for long term GRIPpers and RIPpers to be given precedence when registering. Grip N' Rip students having attended the previous session and NBTC members are allowed to register before the masses. For example all Spring & Summer GRIPpers and RIPpers will be allowed to begin registering for the Fall 2009 from now until August 15th. Winter Session Priority Registration ends the week of November 1st. Spring Session Priority Registration ends the week of February 14th.

Joining Part Way Into a Session, Moving Courts, and Drop-Ins

*Kids are allowed to join at anytime during the session if space is available. The price will be prorated appropriately

*Once placed into the appropriate group or program the kids will remain in the same group until the following session. Graduation from one level to the next will be decided by the staff and you and your child will be notified. Requirements to graduate are posted on the website and are updated as necessary.

*Drop-Ins are only accepted based on availability Cost: Gripper \$30 Ripper \$50

Make-Ups

During the session there are **NO** make-ups for missed classes. Classes cancelled due to rain will be made up at the end of the session. Due to our strict regulation of the number of kids on court, make-ups are not possible.

Sunday Grand Prix @ 2:00 to 4:00 PM @ Newport Beach Tennis Club

Included in the price of the RIPper Program is the Sunday Grand Prix. We encourage all RIPpers to attend for match play experience. Some Sundays there are not matches because of Club Events.
